THE FOUNDER

Mike Robak – Founder and CEO

REAL LIFE EXPERIENCE

Mike has over 20 years experience in the transportation industry with a focus on carrier development and supply chain design.

PASSION

Passion for creating solutions that empower small carriers and drivers to succeed.

MANAGEMENT TEAM

I have been very fortunate to assemble a Senior Level Management team that has a combined 150+ years of successful experience in transportation, logistics and executive management.

WHO IS CARRIERGISTICS

Carriergistics, LLC is a non authority operating transportation management company. However, we are not a trucking company we are a **GROWTH** development company delivering large scale comprehensive fleet and logistics management economies to small asset-based trucking companies to create scalability.

Our goal is to develop sustainable growth that **enhances** our partners **profitability** by supplying them the necessary **infrastructure, resources and capabilities** to create, compete and win **new business** while improving the **bottom line**.

There are thousands of businesses that need collaborative logistics and Carriergistics partners are provided with the **resources, strategies, state-of-the-art technologies** and **support** that compliment existing services and promote robust **Transportation and Logistics Business Solutions.**

FleetStorm delivers state-of-the-art technologies, best practice process, procedures, leveraged resources and support that supercharges your **entrepreneurial spirit**. FleetStorm is truly an integrated, one-stop solution.

The incredible value of this model allows you to enhance **YOUR COMPANY BRAND** create new streams of revenue and reduce your operating cost.

Five Ways You'll Benefit

- \$ Reduce or repurpose your manpower
- \$ Reduce your operating cost
- \$ Access state-of-the-art technologies
- \$ Increased revenue
- \$ Create business NET WORTH

Enhance your future financial success with Carriergistics' FleetStorm System.

A perfected, standardized and uniform system that combines the best of franchising and the functionality of business process outsourcing (BPO) services integrated into YOUR COMPANY BRAND.

Like a franchise:

- Economies of scale
- Market leverage
- Systemization
- Standardization
- State-of-the-art technologies
- Standardized training system
- Sales & marketing system

Unlike a franchise:

- No Up Front fee
- No monthly royalties
- No territorial restrictions
- No capital expense
- No incremental cost

CarrierGistics Delivers Immediate Benefits

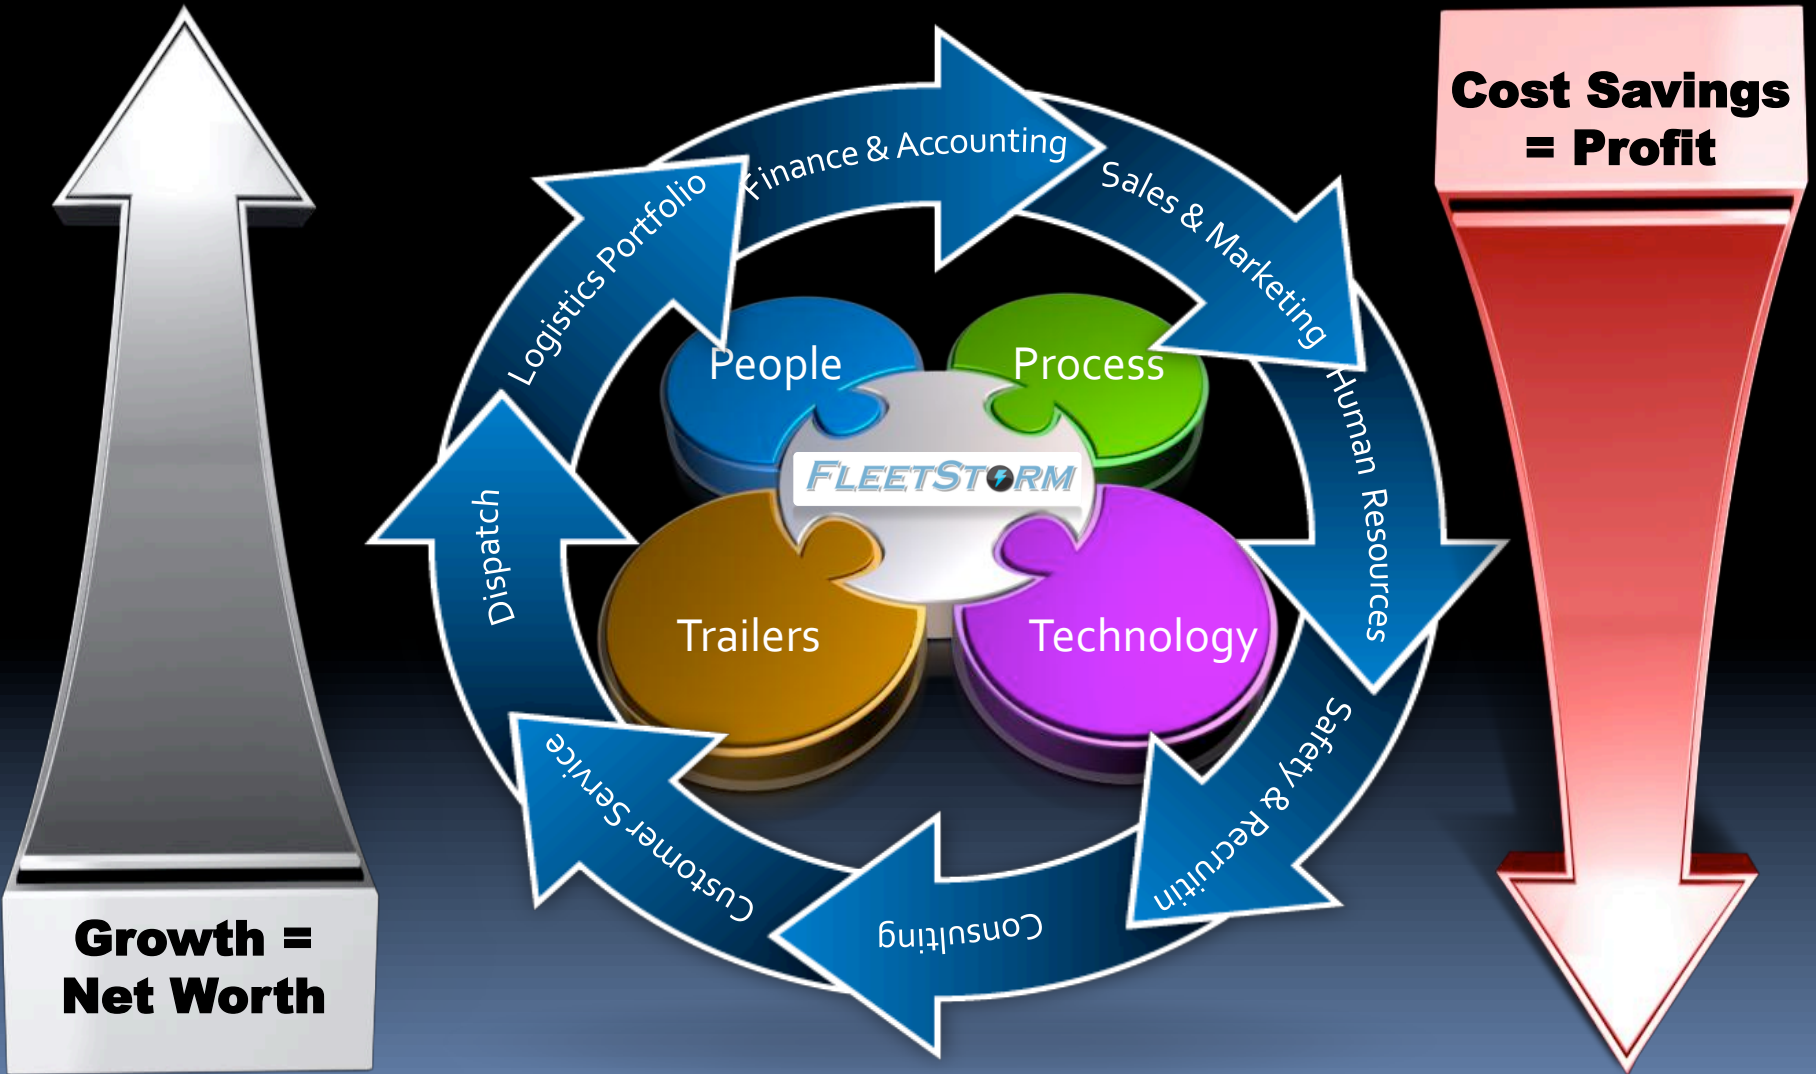

- Outsource your non-mission critical functions such as HR, safety (**CSA 2010**) recruiting and other non-revenue generating functions to CarrierGistics.
- Access to leading-edge technologies and operating TMS systems.
- Ability to demonstrate competencies outside your core offering.
- CarrierGistics will help you **transform** the way you do business that sets you apart from your competition.
- CarrierGistics delivers solutions from the spot market to the complex supply chain redesigns, fast and competitively-while **maximizing your profit**
- CarrierGistics operates 24/7 so you don't have too.
- CarrierGistics will provide trailer equipment for your use.

Our System Is Built On Leverage And Efficiencies

- Your focus is on managing your customer relationships and drivers while CarrierGistics handles all **non-mission critical** activities at a fraction of your current cost.

Business Model Levers

FLEETSTORM™ SYSTEM INFLUENCE

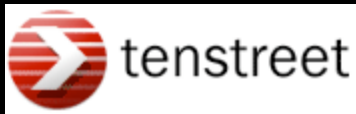

Dedicated to empowering you

By adopting the Carriergistics' FleetStorm System into your business you gain a strategic partner that is **committed to the success of your company brand and the overall health of your business.**

LEVERAGE... LEVERAGE... LEVERAGE...

- By leveraging the Carriergistics FleetStorm System you will relieve your organization of all the important, but non-mission critical activities which allows you to concentrate on revenue generation.
- Carriergistics also connects you to new technologies and resources that may not be affordable to you on your own.
- The FleetStorm System will deliver improved business efficiencies for your company.
- A relationship with Carriergistics will put your company on EQUAL ground with the large national trucking companies and logistics providers.
